

## DOCUMENT E – PRICING SCHEDULE

### 1. Pricing Notes

All lump sum fixed fees shall include normal office and personal expenses incurred. In the case of consortia, these shall include all co-ordination and travel expenses between offices whether within Scotland or overseas. Normal office expenses would include telephone, fax, computer, broadband, printing, photocopying, paper, drawings, reports, documents and all other office consumables.

Normal personal expenses would include travel, transportation, subsistence and accommodation.

All consultant daily rates provided and used in the calculation of the Tendered Total of the Prices shall be fully burdened charge-out rates, inclusive of normal office and personal expenses.

### 2. Pricing schedule

The pricing schedule to be returned by the Tenderer is presented below in Table E.1. The Activities are based on the tasks required – refer to the Tender Specification when completing prices for each activity.
